# SUMMER LEARNING FUN DAYS

We want your child to be happy and successful in school and what

better time to accomplish this than over the summer break when they are relaxed. Join us for a summer filled with really cool learning activities

Our enrichment workshop has so much to offer. Your child will meet new friends, develop social skills, be encouraged to excel, and best of all, take enrichment classes to prepare him or her for the grade ahead.

## Enrichment Workshop Overview

**Cool Math (Grades 2- 5)** Kids will review and enhance basic math skills such as addition, subtraction, multiplication, division, fractions, charts and graphs, and telling time according to their grade level. Students will use games, worksheets and story problems to enrich their skills.

**PreAlgebra** - Students will increase their skills in pre-algebra through calculating activities i.e., fractions, decimals, integers and solving equations.

**Algebra 1/Geometry** - Students will study algebraic concepts (systems of equations, graphing linear functions, polynomials, radicals, quadratic conditions) and the basics of plane and solid geometry in a relaxed, less rigorous environment.

**Fun with Phonics** - This is perfect for kids just learning to read or having difficulty reading. Sounds are taught in a fun way through stories and writing.

**Writer's Block** - Kids will learn how to organize their thoughts creatively on paper and build a strong foundation in grammar and vocabulary to enhance their ability to write effectively.

**Read to Achieve** - We make reading social as kids learn to read more effectively.

## Summer Academic Enrichment Workshop 2011 Registration

Child's Name: \_\_\_\_\_

Age: \_\_\_\_\_ Grade Entering Fall 2011: \_\_\_\_\_

School Attended: \_\_\_\_\_

This workshop must have a minimum number of students. You will be notified by phone if the minimums have not been met and camp is cancelled.

	Select workshop date(s)	Time	Cost (per session)
Fun with Phonics	___ June 6-June 17 ___ June 20-July 1 ___ July 11-July 22	8:30am-9:30am	\$90.00
Read to Achieve	___ June 6-June 17 ___ June 20-July 1 ___ July 11-July 22	9:45am-11:45am	\$90.00
